

KEARSARGE TRAIL SNAILS Inc. SNOWMOBILE CLUB

WARNER, NEW HAMPSHIRE

Serving the Interests of Snowmobilers and other Winter Sports Enthusiasts

The Kearsarge Trail Snails (KTS) is a nonprofit organization with over one hundred members with the insight and initiative to promote and improve the sport of snowmobiling. We address access issues with landowners; cut and clear trails; design, construct and maintain bridges; and groom the trails for the use of snowmobilers and others.

The KTS trail system is clearly marked and carefully maintained for the safety and enjoyment of responsible winter sports enthusiasts. While you are enjoying the trails, we ask that you respect the rights of landowners, obey all signs, respect wildlife and other trail users.

We invite you to complete the attached Membership Application Form and mail it today with your dues check. Better yet, come to one of our meetings on the second Thursday of each month, from September through April at 7:30 PM in the Warner Town Hall. The dues you pay bring many benefits, not the least of which is the use of a premium trail system. Most of our funds are used to pay the costs of grooming trails, and maintaining bridges and equipment. We receive assistance from the State of New Hampshire Bureau of Trails through it's grant-in-aid program (funded by your registration fees) but we could not survive to provide quality grooming without the active participation of our members. Why not join today?

KTS is constantly improving it's multi-recreation system by cutting brush and trees, building and maintaining bridges, posting and maintaining signage and grooming trails for the enjoyment of many diverse outdoor enthusiasts. We all owe an immense debt of gratitude to the private landowners who make the trail network that we enjoy possible. It is our responsibility to respect and protect the land that they so graciously share with us by obeying their wishes as to where to cross their land and by leaving it just as we found it. We ask for the support of all who enjoy this trail network to help defray the costs of it's upkeep. Support can take many forms and many KTS members provide support in more than one way by:

- Becoming a member.
- Making a donation.
- Attending fund-raising events.
- Participating in work details.

First Name		Last Name		Date of Birth	
Name of Spouse/companion		City:

KEARSARGE TRAIL SNAILS

The purposes of the Kearsarge Trail Snails Inc., (KTS) are to stimulate and advance the general welfare and safety of snowmobiling, and to serve the interests of snowmobilers and landowners. Since our inception in 1972, we've developed a fraternal spirit among all snowmobilers and other winter sport enthusiasts, to provide a medium for the exchange of snowmobile information. Our goal is to promote all desirable and lawful functions for the successful operation of the Club in the general public's interest.

TORCHLIGHT PARADE AND DINNER

Our most Popular and biggest event of the year is the gathering of members and friends to celebrate the snowmobile season with a Torchlight Parade, Dinner and Raffle held in the Warner Town Hall. It is usually held on a Saturday night in mid-January.

EASTER SEAL DONATIONS

KTS over the years has contributed thousands of dollars to the New Hampshire Snowmobile Association's Easter Seal Ride-In for Camp Sno-Mo, which is located in Gilmanston, NH.

Funds are raised through dedicated efforts of KTS members during our yearly activities and a check is presented at the New Hampshire Easter seal Ride-In Dinner.

CHICKEN BBQ

Some years, during the month of July, KTS members and supporters gather at the Simonds School playground to hold the popular Chicken BBQ and raffle. A display, provided by local dealers, of new model snow machines and ATV's are available to view.

CHRISTMAS PARTY

Our Annual family gathering and gift swap, in the spirit of Christmas, is held at the Regular Monthly Meeting in December.

SNOWMOBILE TRAIL SYSTEM

KTS's 100+ mile mapped trail system interweaves the towns of Salisbury, Webster and through the center of Warner to the summit of 2,937' Mt Kearsarge, a popular destination with it's panoramic view of south central New Hampshire.

KTS endeavors to maintain an ongoing relationship with the neighboring snowmobile clubs interconnecting the trail systems.
